INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS

Opinion on the financial statements

We audited the financial statements of ASSOCIAÇÃO LEGISLA BRASIL, which comprise the balance sheet, as of December 31, 2020, and the respective statements of income for the period, changes in equity, and cash flows for the year ended on that date, as well as the corresponding explanatory notes, including the summary of the main accounting policies.

In our opinion, the aforementioned financial statements adequately present, in all material respects, the entity's equity and financial position, as of December 31, 2020, the performance of its operations and its cash flows for the year ended on that date. , in accordance with accounting practices adopted in Brazil.

Basis for opinion on financial statements

Our audit was conducted in accordance with Brazilian and international auditing standards. Our responsibilities under these standards are described in the following section entitled “Auditor Responsibilities for the Audit of the Financial Statements”. We are independent in relation to the Entity, in accordance with the relevant ethical principles set forth in the Code of Professional Ethics for Accountants and in the professional standards issued by the Federal Accounting Council, and we comply with other ethical responsibilities in accordance with these standards. We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our opinion.

Another subjects

Audit of the previous period

The financial statements of **ASSOCIAÇÃO LEGISLA BRASIL**, for the year ended December 31, 2019, presented for comparison purposes, were not audited by us or by other independent auditors.

Management Responsibilities for Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting practices adopted in Brazil and for such internal controls as it determines are necessary to enable the preparation of financial statements free from material misstatement, whether caused by fraud or error.

When preparing the financial statements, management is responsible for assessing the Entity's ability to continue operating, disclosing, when applicable, matters related to its operational continuity and the use of this accounting basis in the preparation of the financial statements, unless the management intends to liquidate the Company or cease operations, or has no realistic alternative to avoid ceasing operations.

Those responsible for managing the Entity are those responsible for supervising the process of preparing the financial statements.

Auditor's Responsibilities for Auditing Financial Statements

Our objectives are to obtain reasonable assurance that the financial statements, taken as a whole, are free from material misstatement, whether caused by fraud or error, and to issue an auditor's report containing our opinion. Reasonable security is a high level of security, but not a guarantee that the audit carried out in accordance with Brazilian and international auditing standards always detects any material misstatements that exist. Misstatements may arise from fraud or error and are considered material when, individually or jointly, they may influence, within a reasonable perspective, the economic decisions of users taken based on said financial statements.

As part of the audit performed, in accordance with Brazilian and international auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. Furthermore:

- We identify and assess the risks of material misstatement in the financial statements, whether caused by fraud or error, plan and perform audit procedures in response to such risks, and obtain sufficient appropriate audit evidence to support our opinion. The risk of not detecting a material misstatement resulting from fraud is greater than that resulting from error, as fraud can involve circumventing internal controls, collusion, forgery, omission or intentional misrepresentation.

- We obtained an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal controls.

- We evaluated the appropriateness of the accounting policies used and the reasonableness of the accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether there is material uncertainty regarding events or conditions that could cast significant doubt on the going concern's ability of the Entity. If we conclude that a material uncertainty exists, we must draw attention in our auditor's report to the related disclosures in the financial statements or include a modification in our opinion if the disclosures are inadequate. Our conclusions are based on audit evidence obtained up to the date of our report. However, future events or conditions may lead the Entity to no longer remain in operational continuity.

- We evaluated the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the related transactions and events in a manner consistent with the objective of fair presentation.
